SEMA INTEGRITY POLICY

SEMA is committed to the highest standards of ethical conduct and integrity in its operations. SEMA operates on a zero tolerance policy in respect of any form of bribery or corruption. This policy details the obligations on each SEMA team member or partner to prevent and prohibit bribery and corruption.

We understand acts of corruption as offering or receiving anything of value as a bribe, whether cash or non-cash items, with the intention of inducing or rewarding improper performance of a function or activity. SEMA prohibits facilitation payments that are made to an official to expedite his/her performance of the routine duties s/he is already bound to perform.

All representatives and employees of SEMA are responsible for ensuring all operations and activities comply with this policy and local anti-bribery and anti-corruption laws. The following obligations are set for all representatives, trainees and employees of SEMA:

1. Any attempted, suspected or proven act of bribery or corruption should be directly raised with your supervisor. Retain all evidence, if available, (whatsapp, emails) and share this with the SEMA supervisor.
2. If an act of bribery is raised with you by another colleague, you should raise it with a SEMA management team member.
3. Promptly and thoroughly investigate, any and all, allegations of corruption, which may include reporting matters to SEMA’s Board of Directors.
4. Report any gifts, rewards, gratuities, or entertainment received or offered to you from public officials, partners, grantees, or other organizational contacts that are seeking to do business. After discussion with a SEMA management team member, in some circumstances gifts may be asked to be returned to the sender.
5. Gifts of cash or cash equivalent must not be offered and always refused.
